

REMARKS/ARGUMENTS

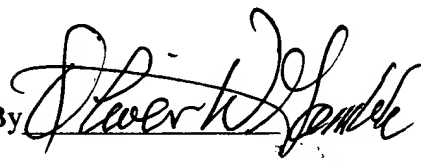

In the specification, a new paragraph is added in the first position, making the pervious first paragraph now the second paragraph. The new paragraph is a declaration of a provisional patent having an earlier date.

In view of the examiner's explanation of problems with my claims, I have restricted them to the subject matter of the patent: cell phone (wireless devices).

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

Oliver W. Gamble
